

MUSEUM GALLERY ACCESS

Providing Museum Gallery access to your guests during an event allows you to take advantage of the extraordinary venue you've selected for your function.

Please note that there is a distinction between **Private Access** and **Group Ticketing**:

Private Gallery Access

Only available after-hours, when the Museum has closed to the public.

It is not possible for PAM to provide private gallery access when the Museum is open to the public.

Private Access is available in two-hour blocks, billed as follows:

- \$500/floor (or \$1500/all 4 floors) for private access to the Center for Modern & Contemporary Art (CMCA)
(The CMCA is adjacent to event spaces in the Mark Building.)
- \$1,500 for private access to the Special Exhibition Galleries
- \$2,500 for private access to the entire Museum *(including Special Exhibitions & CMCA)*
- Docents are also available to enhance your guest's experience of the Museum collections. Docents are available at \$100/hour/docent and their approach can be tailored to the collections or to your event logistics.

Group Ticketing

Provides ticketed access for your guests during Museum public hours, as follows:

- \$16/ticket *(discounted from \$20)* INCLUDES access to the Museum's Special Exhibition;
- \$11/ticket *(discounted from \$15)* DOES NOT INCLUDE access to the Special Exhibition galleries.

Both group ticket levels include general admission access to all other galleries at the Museum, in both the Belluschi and Mark Buildings.
