

- The Mark Building is located at 1119 SW Park Avenue
- The loading zone for trucks is in front of the Mark Building, near the EH Roberts Sculpture Mall
Note: The loading zone is limited to 30 minute parking and is subject to city parking fees. There is metered parking available along 10th Avenue for cars and additional trucks.
- Follow the dotted line into the building and into the Marion Miller Gallery, located on the first floor. You must use the bronze doors to the right of the main entrance. Using the main entrance for load-in is prohibited.
Note: All vendors must check in at the Mark Building front desk to get security bracelets before they will be granted load in access.
